Dear Lovejoy Staff:

For the past 14 years, I have had the pleasure of serving the Lovejoy ISD as your superintendent. I am so proud of the work that we have done and the great experiences that we have created for our kids. People have always told me that I would know when it was time to retire and now is that time. As you know, I continue to have health issues and believe now is the time for me to retire with 42 years of service to public education.

I appreciate each and every one of you and the mission-driven work that you do for our kids.

I wish you continued success and know that you will do great things for all kids.

Ted Moore  
Superintendent  
Lovejoy ISD
